

U.S. ENVIRONMENTAL PROTECTION AGENCY  
 Office of Pesticide Programs  
 Antimicrobials Division (7510P)  
 1200 Pennsylvania Ave., N.W.  
 Washington, D.C. 20460

**EPA Reg. Number:**

4091-19

**Date of Issuance:**

1/14/16

**NOTICE OF PESTICIDE:**

Registration  
 Reregistration  
 (under FIFRA, as amended)

**Term of Issuance:**

Unconditional

**Name of Pesticide Product:**

Mold Armor E-Z House Wash

**Name and Address of Registrant (include ZIP Code):**

W.M. Barr & Company, Inc.  
 6750 Lenox Center Court, Suite 200  
 Memphis, TN 38115

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.
2. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.

**Signature of Approving Official:**

Demson Fuller, Product Manager 32  
 Regulatory management Branch II,  
 Antimicrobials Division (7510P)

**Date:**

1/14/16

3. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, "EPA Reg. No. 4091-19."
4. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 12/17/2015
- Alternate CSF 1 dated 12/17/2015

The following alternate brand names have been added to the product record:

- Mold Armor E-Z House Wash Hose End
- Mold Armor E-Z House Wash Gallon
- Mold Armor E-Z House Wash Gallon Refill
- Mold Armor E-Z Deck, Fence & Patio Wash Hose End
- Mold Armor E-Z Deck, Fence & Patio Gallon
- Mold Armor E-Z Deck, Fence & Patio Gallon Refill

If you have any questions, please contact Wanda Henson by phone at (703) 308-6345 or via email at [henson.wanda@epa.gov](mailto:henson.wanda@epa.gov)

Sincerely,

Demson Fuller, Product Manager 32

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

#### DANGER

Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear goggles or safety glasses and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

#### FIRST AID

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [National Poison Control Center: 1-800-222-1222]

#### Physical and Chemical Hazards

This product contains an oxidizing agent. Do not use or mix with other chemicals. Prolonged contact of undiluted product with metal may cause pitting or discoloration.

#### STORAGE AND DISPOSAL

Store with lid closed [or lever/switch in off position] in areas inaccessible to children, in a cool dry area, away from direct sunlight and heat to avoid deterioration.

{for sprayer intended to be refilled by the consumer}

Container Handling: Do not reuse or refill this container except as described in the directions for use. Refill only with this product [-or- product name]. Offer empty container for recycling or discard in trash.

{for container (1 gallon or less) not intended to be refilled by the consumer}

Container Handling: Nonrefillable container. Do not reuse or refill this container. Offer empty container for recycling or discard in trash. Do not reuse this bottle for any other purpose.

{Lot code and/or expiration date may appear on either the container or label}

#### {Optional Container/Applicator Related Statements:}

## New & Improved Spray Nozzle

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Important:** Carefully read all directions, notes and conditions prior to use. Only use this product as directed on the label. For outdoor use only. Oxidation from sun and elements [or biogrowth] [mold], [mildew] [or] [algae] can cause permanent discoloration on outside surfaces. Test on an inconspicuous area before using. Wear eye protection and rubber gloves during use. Formula may stain clothes and shoes – dress appropriately.

[Helpful tips:] [Do not use on cedar or redwood that is less than 2 years old.] [Avoid contact with metal surfaces, clothing, carpet, fabrics, floor coverings or vegetation.] [Do not use in windy conditions.] [Use of this product may loosen fibers from surfaces environmentally damaged by sun, wind and rain]. [Particularly stubborn stains may require a second application.]

**{For Hose End containers/applicators :}**

**{Option 1}**

To kill [and remove] mold [and mildew]:

1. Attach garden hose to nozzle with throttle pushed back closest to the hose side of the sprayer.
2. Turn on water to hose.
3. With slider in RINSE position, push throttle forward and spray surrounding plants with water.
4. Turn slider to CLEAN and coat the area to be cleaned, working from the ground upward. Allow product to work for 10 minutes.
5. Turn slider to RINSE and rinse area well with water.
6. Move to a new area and repeat. If staining persists a second coat may be required.
7. Spray surrounding plants with water after use.
8. Push throttle back toward hose side of sprayer and turn off completely for storage.

Note to reviewer: All text in brackets [...] is optional and may or may not be included on a final label. All text in braces {...} is administrative and will not appear on a final label. Portions or all of the label may be bilingual.

{Option 2}

1. Spray surrounding plants with water. 2. Attach garden hose to nozzle with valve in OFF position. Turn on water to hose. 3. Turn nozzle to CLEAN and coat the area, working from the ground upward. Allow to work for 10 minutes. 4. Turn nozzle to RINSE and rinse area well with water. If staining persists a second coat may be required. 5. Spray surrounding plants with water after use. 6. Turn to OFF for storage.

**{For Gallon EZ House Wash (not Hose End):}**

Surface Preparation: Use formula at full strength for tough stains or dilute with 3 parts water, one part formula for typical stains and dirt. Apply with a garden sprayer, roller or sponge. Apply full strength with a garden sprayer. Do not use a high power pressure washer to apply.

To kill [and remove] mold [and mildew]: 1. Spray surrounding plants with water before and after use. 2. Start from the bottom and work upwards. Wait 10 minutes. 3. Rinse well with water. Heavy stains and textured surfaces may require light scrubbing and a second application.

To clean [and/or remove mold and mildew stains]: 1. Spray surrounding plants with water before and after use. 2. Start from the bottom and work upwards. [Wait [let stand] 5-10 minutes.] 3. Rinse well with water. Heavy stains and textured surfaces may require light scrubbing and a second application.

**{For Gallon EZ Deck & Fence Directions (not Hose End) :}**

This product will not remove pigmented wood stains or sealers.

To kill [and remove] mold [and mildew]: Apply full strength with a plastic garden sprayer. Wait [let stand] 10 minutes. Thoroughly rinse off surface and surrounding area.

To clean [and/or remove mold and mildew stains]: Apply full strength with a plastic garden sprayer. [Wait [let stand] 5-10 minutes]. Thoroughly rinse off surface and surrounding area.
